

## REACH - Information

in accordance with Regulation No. 1907/2006/EC for  
Registration, Evaluation, Authorisation and  
Restriction of Chemicals (REACH)

**The manufacturer / supplier**  
Interroll Software & Electronics GmbH  
Im Südpark 183, 4030 Linz

hereby declares that we comply with all obligations under the REACH Regulation, including all information obligations in the supply chain and provide the necessary information.

### Information obligation under Article 33.1 REACH:

As a supplier of articles, we are obliged to provide information if a so-called candidate substance (substance of very high concern (svhc)) is present in a concentration of more than 0.1% by mass in our article or in an article used in our article.

We are in a constant dialogue and exchange of information with our suppliers, especially when expanding the candidate list, and take into account the interpretation of the ECJ judgement C106-14 with regard to the reference value of 0.1%: ECJ 106-14.

[www.echa.europa.eu/web/guest/candidate-list-table](http://www.echa.europa.eu/web/guest/candidate-list-table)  
Status: January 2024

The products we supply do not contain any SVHC.

All of our suppliers are subject to the **Interroll Supplier Code of Conduct**, which once again highlights their obligation to provide information.

A handwritten signature in black ink, appearing to read 'A. Eglseer'.
