

# Interroll at a glance

## Fact Sheet 2019

INSPIRED BY EFFICIENCY

The Interroll Group is the leading global provider of material handling solutions. The company was founded in 1959 and has been listed on the SIX Swiss Exchange since 1997. Interroll provides system integrators and OEMs with a wide range of platform-based products and services in these categories: Rollers (conveyor rollers), Drives (motors and drives for conveyor systems), Conveyors & Sorters as well as Pallet & Carton Flow (flow storage systems). Among the company's end users are leading brands such as Amazon, Bosch, Coca-Cola, DHL, Nestlé, Procter & Gamble, Siemens, Walmart and Zalando.

**Around 2.300 employees work in 32 companies worldwide.**

### Key figures

in Mio. CHF	2018	2017	2016	2015
Order intake	592,6	458,1	405,2	385,1
Sales	559,9	450,7	401,5	360,7

### Products and Scope of Application

Interroll products are characterized by high quality. Our solutions offer increased throughput, optimized utilization of space and energy as well as safety and hygiene with plant operations. Interroll products stand for optimized total cost of ownership (TCO) and fast return on investment. They are an essential part in picking, check-in counters and baggage claim as well as airport scanners, in sorting documents, parcels and boxes of all kind as well as in the hygienic transport, sorting and storage of food. Interroll responds to global megatrends such as digitalization, urbanization and globalization by delivering innovative and flexible solutions within all markets.
