Audit Committee

The Audit Committee receives the audit reports prepared by the local external auditors and by the Group auditor. It prepares the respective reporting on them to the Board of Directors. In particular, it ensures that the Group companies are also being audited on a regular basis. The Audit Committee mandates the internal audit department to execute internal audits and revises respective audit reports.

At least once a year, the Audit Committee also commissions a report on audits undertaken and planned as well as on any proposals to improve the auditing function. The Audit Committee submits its proposals to the Board of Directors for decision.

Compensation Committee

The Compensation Committee submits its proposals for the salary and bonus of the CEO, the members of Group Management, and the compensation of the Board of Directors to the Board of Directors for decision. At the beginning of the year, it defines the targets to be attained for bonus payments to become applicable. In addition, the Compensation Committee is responsible for establishing the terms of the share ownership scheme.

Mode of collaboration of the Board of Directors and its committees

The Board of Directors meets as often as business requires, but at least four times per year. The meetings are convened by the Chairman of the Board of Directors. Each member of the Board of Directors may demand that a meeting be convened, specifying the item on the agenda to be discussed. The CEO participates in the meetings of the Board of Directors. The Executive Vice Presidents of the respective functional units and the Vice Presidents of the Corporate Functions as well as other members of management are invited to attend meetings when necessary.

The Board of Directors is deemed quorate if an absolute majority of its members is present in person. Resolutions are adopted on the basis of an absolute majority of votes present. In the event of an equal division of votes, the Chairman casts the deciding vote. All resolutions are recorded in the minutes.

Both committees of the board meet as necessary. Any member is entitled to convene committee meetings. In the business year 2015, the Board of Directors met on five occasions, the Audit Committee three times and the Compensation Committee twice for regular scheduled meetings.
